The Cut adorning this price list is Baron Munchausen by Zimmer. We especially recommend this wonderful new Glad. It is a large exhibition of attractive scarlet with very slight marking of Rose in the throat. It is a tall and strong grower with eight to ten florets of great size open at once. It is exceedingly valuable for hybridizing and carries its mammoth size to its offspring.

Mr. Lloyd Zimmer of Bremen, Indiana, the originator of this new Glad, and a very good friend of ours, is offering \$10.00 in cash for the best spike of Baron Munchausen exhibited at any 1938 Gladiolus Show in the United States or Canada. Get this remarkable new Glad and win Mr. Zimmer's ten dollars.

Price any size bulb \$25.00. No bulblets for sale.
